Mr. Meyer originally received his polygraph training in 1979, and Graduate training at the National Training Center of Polygraph Science in 1989 under the tutelage and direction of Richard O. Arther, M.A., A.C.P., one of the forerunners in the field of polygraph science.

Since 1979, Mr. Meyer, has strived to continue to secure advanced training in Polygraph on an ongoing basis. - 2,000 + HOURS -

As a Polygrapher, expertise has been primarily involved in the administration of Polygraph Examinations for the Legal Community, Mental Health Professionals and Private Sector Clients.

Examinations for the Legal Community have included criminal testing in matters involving arson; robbery; murder; rape; sexual assault; child abuse and incest; homicide; accidental homicide; misappropriation of funds; fraud; misconduct in office; embezzlement; paternity matters and any other testable issues within reason as to not violate proper polygraph principles and procedures.

Since 1995, Mr. Meyer's concentration has been providing Forensic Polygraph Examinations for the Mental Health Community in the treatment of Sexual Abusers. Mr. Meyer has been formally trained in the testing/monitoring of Offenders by the National Association of Polygraph Specialists in Sex Offender Testing/Monitoring and the Florida Department of Corrections Region V. He is also qualified by the American Polygraph Association as being approved in Clinical Sex Offender Testing. All examinations adhere to the standards set by the American Polygraph Association guidelines for Post Conviction Sex Offender Testing as well as those set by the Association for the Treatment of Sexual Abusers.

PAGE 2

Commercial clients have been in the Financial Industry mainly Banks and Brokerage Houses, in addition to the Jewelry and Diamond Trades.

Testimony as an Expert Witness has been for the defense by way of rebuttal to the prosecution. He has also been being called as an Independent Expert. As well as having having testified in Superior Court ; Family Court and Municipal Court regarding the outcome of Specific Polygraph Examinations he has administered and or reviewed .

Over all experience has been in conducting Forensic Polygraph Examinations in the Private Sector as a Forensic Polygraphist. Since completing his initial training in 1979 /1980. Mr. Meyer has been involved in numerous diversified cases including high profile matters encompassing various types , for a wide spectrum of clients with optimum results.
